

CZM Sign Inventory

This observation deck was established through a partnership of the Village of Willis Wharf, Northampton County, Accomack-Northampton Planning District Commission, Department of Game and Inland Fisheries and the Virginia Coastal Zone Management Program. The deck is an ecotourism project of the Virginia Seaside Heritage Program.

Construction of the deck was funded by the Virginia Coastal Zone Management Program at the Department of Environmental Quality through a grant from the National Oceanic and Atmospheric Administration under the Coastal Zone Management Act. Matching funds were provided by the Virginia Department of Game and Inland Fisheries.

Inventory Results....so far

- 10 sites have No Sign
- 4 sites need sign replacement
- 2 sites would benefit from sign replacement
- DCR has committed to replace signs at State Parks and Natural Area Preserves

A scenic view of Riverview Farm Park. In the foreground, a wooden boardwalk with a railing made of weathered wooden planks and posts leads towards the water. The railing has some graffiti on it, including the letters "AVC". The boardwalk is situated on the left side of the frame. To the right of the boardwalk is a body of water, likely a pond or a small lake, with a sandy beach area in the middle ground. The background is filled with a dense forest of tall, green trees under a clear blue sky. The text "Riverview Farm Park" is written in a large, white, sans-serif font in the upper right quadrant. Below it, "City of Newport News" is written in a smaller, white, sans-serif font. At the bottom, "Interpretive Signs" is written in a white, sans-serif font.

Interpretive Signs

An aerial photograph of Riverview Farm Park in Newport News. The park features a large green field, a blue swimming pool, and several buildings. A river flows along the right side of the park, and a body of water is visible at the bottom. The surrounding area includes residential neighborhoods and more green space.
